TUCK'S POST CARD

CARTE POSTALE.

Raphael Tuck & Sons' "OILETTE" GAME BIRDS Series I. *Postcard No.* 8781.

ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN

Ringed Plover. The common ringed plover, also called the sand-lark, is barely 8 inches in length. The throat has a black band broadest over the breast with a white ring above. The eggs are generally four in number and are prized as food, although the "plover's eggs" of the London market are usually those of the lapwing.
